Employed wide variety of fiction and non-fiction textual materials to encourage students to read independently. Performed student background reviews to ascertain learning deficiencies and strengths to develop tailored lessons based on student needs. Taught students how to improve grasp of material and test performance. Observed children and recorded activities, maintained daily records and created safe environments during activities, meals and naps. Applied proactive behavior management techniques to facilitate classroom discipline. Employed broad range of instructional techniques to retain students' interest and maximize learning. Monitored student progress using exams and assignments to check for thorough understanding. Met with parents and guardians to discuss student progress and increase participation for comprehensive and long-term student success. Taught students fundamental building blocks and advanced concepts. Assisted students with developing thesis ideas. Taught after-school and summer enrichment programs. Collaborated with other staff members to plan and schedule lessons promoting learning and student engagement. Developed individualized lesson plans based on each student's IEP goals. Improved students' reading levels through guided reading groups and whole group instruction. Created assignments and tests to evaluate student knowledge. Identified early signs of emotional, developmental and health delays or problems in students and followed up with parents. Differentiated instruction according to student ability and skill level. Taught students in various stages of cognitive, linguistic, social and emotional development. Promoted collaboration and problem-solving skills by facilitating group projects and class discussions.

TEACHER | 08/2012 to 08/2015

Mercy School-Edmond, OK

I teacher Arabic in mercy school for three years in Oklahoma. It was great experience because I had chance to design Arabic curriculum for the school.

also, I merged technology in teaching Arabic which helped the students to practice Arabic in the school and at home.
